My Day in a Snow Globe

One day when I was looking for cool things in the souvenir shop, I saw a snow globe with a puppy. When I was about to buy it, a cold whoosh of air entered the shop. And I was in my snow globe in no time. I shouted, "How did I get in here?" But soon, I realized that being inside a snow globe wasn't so bad. Me and my puppy spent all day building snowmen, having snow ball fights, and making snow angels. It was the best day ever!

My Day in a Snow Globe

A few years later, I thought about leaving the snow globe. But I could not leave my puppy and snowman friends! Later, I decided I could take them with me! I had some tools in my bag so I used them to break the glass! When we got out we happily lived together! The end.

My Day in a Snow Globe

Wash! cold air blew with my face. My eyes
opened. I realized I was in a snow
globe! I screamed a ear piercing one!
I ran out of the igloo I pushed on
the glass walls no use. "Hello" belled
somebody I jerked around. It was a
snow man! "My name's Mr Snow" Olka
so do you know how long I'll be
here? ^{asked} yup ^{he asked} thank good host I thought
I was relieved as a bunny that
ran away from a fox. "For a day
but for now... play!" ^{he told me} "sweet" I
screamed. It twirled and fell down
in the snow laughing when made...

this was the best day ever! Yell.
"It not over." he told me.
"What! I screamed with delight.
I was sat up straight as a stick.
"Dinner!" yelled Mr Snow.
"Like what?" ^{asked} I gulped.
"Like... chicken soup!" Mr Snow
told me "Come on!" he shouted.
We went deeper in to the icy
globe. We ate the most chicken
soup in the world!

My Day in a Snow Globe

"AHH!!!" I woke up it was freezing. The wind rushed through my ears. It was as cold as ice. My hands were on either side of my face! my jaw dropped! I came down I got up. It was all white except for the cabin I was staying in. There was a sleeping snowman. I did not want to wake him up. So I looked around. finally he got up. "Hi hi" I'm Icy "how are you" "Who are you what are you?" "Whoa Whoa slow down" I panicked I was shivering. I explained that I was ok.

My Day in a Snow Globe

and I am a human. "By the way where are we?" I asked. He replied "We are in a snow globe." "WHAT!!!" I thought I was ok but I wasn't. I panicked so much I fell over. Don't worry your family out there outside the globe. "How did I get in here?" "You fell in the top?" I looked up. "Ohh but how did I fall in?" I asked. "You were fast asleep and somehow you just crashed and then I woke up and put you in the cabin" Icy explained.

"Ohh my gosh." I shouted. "Why don't we play a game?" Icy suggested. "Ok." I replied. "How about a snow ball fight?" "allright." I shouted. "3 2 1." We yelled. I gathered snow. Picked it up and shot it zoomed as fast as lightning and bam! It hit Icy. Icy got a snowball and I dodged it I turned. As I turned I saw the sun. "Wow it is dark out." I said. "Oh yeah." Icy replied. "lets go in the cabin." "Ok." I replied. Then we went in and I offered to roast marshmallows. "Ok." Icy said. "Oh my gosh"

I forgot I need to go Home. Can you help?" I shouted. "Ohh of course." Icy replied. "hmm" we both went. "Ohh we can smash the glass." "yes." "Ok lets start." Icy explained "you could hop on my back." "Alright." I stretched my legs and hopped on his back. "lets go." Icy suggested. "Ok." I replied. "grab a hammer." "Ok." I clenched the hammer and smashed. Crash crash CRASH! We finally got a hole big enough for me! Bye Icy I will miss you I promise to visit you bye. Guss. What happened next time I visited Icy.
